

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

We were well pleased, and we know the boys and coaches were, of the fine turnout of Hamlin fans at Winters the other night. Naturally we were disappointed at the outcome of the game but believe that most of this can be blamed on inexperience.

In the first few games of every season the teams with most of their people back, especially backs, have a very definite advantage over those teams faced with re-building. While the inexperienced team is trying to find and teach players the experienced teams are working on the finer points of the game, such as timing.

Adding to the local problem is that fact that we have a new coaching staff with all of the changes that this always brings about.

We feel sure that as our boys gain poise and confidence as the season progresses they will make a good showing for themselves.

If you are a football fan you have no doubt heard of the veer option football play that became famous last year. If you have but are not sure just what it is you will be interested in the following column written for the Andrews County News by Coach Edd Farmer. Edd is a former Hamlin coach who is well remembered by many fans here.

This is Edd's first column for the News and as Editor James Roberts points out in his column introducing this new feature, "Football from the Technical Side", Edd is well qualified to write a column on the technical side of football. He is a real student of the game and being a math major he tends to approach everything from this point of view.

The following is taken from this first column:

"The veer option football play is the current fad and most controversial subject on the gridiron today.

"This offensive football play is designed to give the quarterback the choice of giving to the fullback up the middle, keeping the ball himself off tackle or pitch wide to the swinging halfback.

"This makes the defense react to three areas of attack to stop the play. Since most football plays are designed only to attack one or two areas of defensive alignment, this play poses a most difficult problem for defensive coaches and players. (Really, its driving them crazy!)"

"The only consolation that comes to the defense is the fact that the veer play is the most intricate football offensive play to execute properly.

"It involves, within a 3.5 second time span, the removal of all but two defensive linemen and one defensive secondary player toward the side the play is to run. When this is done the quarterback must see and react to the nearest or first, of the two defensive players, (who are not blocked on the line) to give or not to give to the fullback up the middle.

"He reacts to the second man, when the fullback is taken by the first defensive player, to keep him off tackle or pitch to the halfback as the second defensive player commits. Should the play develop to where the ball is pitched to the halfback a wide play comes similar to the old power sweep with only one lead blocker.

"This lead blocker, who is the other halfback, must execute a chop block on the perimeter defender. The difficulty here is the fact that this defender is coached to never be blocked down.

"If all goes well and nothing fails to this point the only thing left for some valuable yardage is for the runner to zig, zag, jump, etc. for his life away from the rest of the defensive team who will surely be mad along about this time for the play having got this far along without an offensive mistake being made.

Homecoming Plans Nearing Completion for October Event

Plans for the annual Homecoming of former students and teachers of Hamlin High School are nearing completion, according to Raymond Scifres, president. Registration letters will be mailed next week, he said.

All those who can assist in addressing the letters are asked to be at the high school

Tuesday (Sept. 22) at 8 p.m. Scifres said many volunteers would be needed to complete the mailing. Refreshments will be served.

Committee chairmen for the various activities have been appointed as follows: George Campbell, Oct. 30 Chili Supper; Burt Oliver after game coffee, Oct. 30; O. H. Weaver Jr., noon barbecue; Oct. 31; Mrs. Ester Hastings, meet, eat and greet at general meeting, Oct. 31; Jerry Smith, parade, 3 p.m. Oct. 31; Mrs. Bobby Kiser, little Piper costumes; Mrs. Valeta Hartley and Mrs. Jimmy Hale, registration; Mrs. Jack Vaughan, picture displays; and Mrs. J. O. Murphy, ex-student float.

The committee will secure workers to assist them. The committee personnel will be announced later, Scifres said. Officers serving with Scifres are Jerry Smith, first vice president; O. H. Weaver Jr., second vice president; Mrs. Hartley and Hastings, secretaries; Mrs. Hale, treasurer; Mrs. Billy Joe Wilson, reporter.

Headquarters will be at Reynolds Drug.

Ice Cream Supper Set Here Friday Before Clyde Game

The Hamlin Ex-students will sponsor an ice cream supper Friday evening preceding the Clyde-Hamlin football game.

Serving will be from 5:30 to 7:30 in the high school cafeteria. Homemade ice cream and cookies will be served to adults for 75c and to students (through high school) for 50c.

Scouting Activities To Get Underway With Meeting Here

The season of Scouting activities will get underway here tonight (Thursday) at 7:30 in a School Night for Scouting meeting to be held at the high school.

Boys 8, 9, and 10 who would like to become Cub Scouts or Weblo Scouts are to attend the meeting with their parents.

All boys ages 11, 12, 13 and 14 years of age are invited to attend the same night but in a different room to get organized in the Boy Scout program. Fathers are urged to attend.

Boys will need to bring the \$1 registration fee. With this fee, the boys will be eligible to subscribe to the Boy's Life magazine for \$2.00 rather than the regular price of \$4.00.

VFW Circulating Petitions Here for Release of POW's

Freedom and humane treatment for American servicemen held prisoners in Southeast Asia will be the object of petitions which members of Post 6014 of Hamlin will circulate among local citizens Sept. 20-26, Commander Raymond Nichols announced today.

Commander Nichols said signed petitions obtained during "V. F. W. Freedom Signature Week" will be forwarded to V. F. W. Commander-in-Chief Herbert R. Rainwater who will personally seek to deliver them in October to the North Vietnam delegation at the Paris Peace Talks.

"If this fails," Commander Nichols said, "then Commander-in-Chief Rainwater will present them to U. N. Secretary U Thant and ask that the world organization

bring pressure on Hanoi to assure that our men are treated humanely and the sick and injured are released."

Over 1,400 American fighting men are believed to be held in Southeast Asia by the

Lions Club Broom Sale Mon., Tues.

The Hamlin Lions Club will hold their annual Broom Sale here Monday and Tuesday, according to Club President Ray Sonnenburg. The Lighthouse for the Blind Truck will be parked in front of the F and M National Bank all day both days.

Along with the street sales during the two days the local Lions will canvass the homes of Hamlin on Monday and Tuesday evenings.

Proceeds of the sale will go to the blind who make the products being sold and to the local Lions Club for their local service projects.

Along with brooms and mops the Lions will be selling all types of household goods including wrth cloths, ironing board pads and covers, dampening bags, etc.

Bake Sale

The Jaycee-ettes are announcing a bake sale to be held downtown Saturday beginning at 9 a.m. in front of the McDonald's building.

Mrs. Charles Brunley is bake sale chairman. Special cakes may be ordered or cakes may be reserved by calling her as 576-2332.

Mr. and Mrs. Danny Oliver are parents of a girl, Jennie Elaine, born Sept. 13 at 12:20 p.m. She weighed 7 lbs. 8 1/2 oz.

Pied Pipers Host Clyde Here Friday

The Pied Pipers will host Clyde here Friday night in Piper Stadium in their first home game. The Pipers will be seeking their first win after losing to Winters last week in their opener, 21-0.

The Clyde Bulldogs will be going after their second win over a 7-AA opponent after defeating Merkel last week, 12-0.

Coach Deane Wright told the Piper Booster Club Monday evening that he felt the boys learned a lot in Friday's game and that they had a

better than usual workout Monday.

The Pipers came out of the Winters game in good physical shape and should all be ready for action Friday with Clyde.

The Bulldogs run from a pro offense and believe strongly in their passing game. They passed 16 times against Merkel last week.

Doing the passing for the Bulldogs is quarterback John Hoffman who is a good ball handler and the team leader. Carrying the load of the Bulldog's running game is halfback Gary Barr, 175 - pounds, who carried 30 times last week and scored both touchdowns. Running at fullback will be Jimmy Richards, 165-pounds, and at wingback will be Endgate Hawk, 140-pounds.

In the line will be Terry Rosinbaum, 145 at split end and Johnny Pierce, 185, at tight end; at tackle will be Bobby Gray, 198, and Mark Henager, 198; at guards will be Kyle Scott, 198, and Al Windham, 160; and at center will be Bobby Moore, 185.

On defense the Bulldogs only play three from their offensive unit, Scott, Windham and Hawk. Others expected to start on defense will be Manuel Ramos, 210; Walter Burton, 165; Jerry Anderson, 140; Wayne Cloud, 158; Jimmy Payne, 198; Van Arms, 155; Jimmy Newman, 165; and Ray Ramos, 140.

In other action the Hamlin Freshmen will travel to Post today (Thursday) for a 6 p.m. game, Tuesday the seventh and eighth grade teams will host Rotan with the first game at 5:30 and the second at 7.

Rev. Howard Jones Named First Baptist Church Pastor

Rev. Howard J. Jones, pastor of the Greenville First Baptist Church for the past five years, has accepted the pastorate of the First Baptist Church here, effective Oct. 1.

Rev. Jones has served as pastor of six fulltime churches, including the Greenville church. Other pastorates have been First Baptist, Loraine; First Baptist, Wellington; First Baptist, McAllen; Pierce Baptist, (now second Baptist), Amarillo; and Birdville Baptist of Fort Worth.

He is currently chairman of the Area Missions Committee, pastor-advisor to BSU at East Texas State University and a director of Lake Lavin Baptist Encampment.

During his tenure at Greenville, the church participated in building a new sanctuary.

Junior High Wins Two With Merkel

The seventh and eighth grade teams blanked the Merkel teams here Tuesday night. The seventh grade score was 14-0. The eighth grade scored 38 points while holding Merkel scoreless.

The first touchdown was made by Daniel Willis who also ran in for the two points after.

The other touchdown was made by Russell May on a pass interception.

Scoring for the eighth grade was five touchdowns by Johnny Jones, six extra points by Luke Reynolds and two extra points by Tracy Rowland.

REV. HOWARD J. JONES

Jones County Cancer Society Directors Meet

The board of directors of the Jones County Chapter of the American Cancer Society met Monday evening in Anson at the 66 Siroin Restaurant for the first meeting of 1970.

Attending from Hamlin were Mrs. John C. Bryant, Mrs. Kenneth Riddle, May Gay and Buna Rountree.

Al Berry of Stamford, president, presided and introduced Robert Polk, district director, who gave a brief talk of the society's work during the past year. He noted the amount of research work done and the results of the crusades, which, he said, Jones County exceeded by \$600.

NEWS FROM ... Old Glory

BY BERNICE WHITE

The Old Glory 4-H Club held its first meeting of the year after school Wednesday, Sept. 2. Officers were elected for the 1970-71 year. They are as follows: president, Mark Cox; vice president, Rodney Dunham; secretary-treasurer, Douglas Vahlenkamp; and reporter, Lynette Meier.

During the business meeting, several decisions were made. It was decided to have meetings on the first Tuesday of each month. Two events were planned for September: a weiner roast at Rodney Dunham's home Sept. 11, and a bake sale Sept. 19. The sale will take place in front of Rhoads Grocery at 9 a.m.

Refreshments were served by Debbie Jones, Jamie and Eddie Wolsch. For the next meeting, Beverly Neumann, Kara and Jackie Jones will serve.

Lynette Meier, reporter

The Old Glory Variety Club resumed their meetings Tuesday of last week with Mrs. Beno Hertenberger as hostess. Members present were Mmes. E. H. Diers, G. F. Spitzer, Charlie Letz, Katie Gerloff, Travis Bell, Bill Wright, Lynn Flowers and the hostess. Visitors were Mmes. Louise Spradlin of Waco, Tillie Dippel and Adele Dudensing. The group enjoyed games of 84 and bridge.

Supt. Dalton Gill attended a joint meeting of Region 14 Texas Association of School Administrators and the Small School Association Wednesday of last week. The meeting was held in the Planetarium in Abilene.

Mr. Gill was elected secretary-treasurer of the Region 14 Small School Association. Visitors in the home of Mr. and Mrs. Glen Dunham over the Labor Day weekend and on into last week included Mr. Dunham's brother, Arthur Dunham, who had just returned from Viet Nam and was on his way to a camp in Missouri. Also visiting were another brother and his family, Mr. and Mrs. Herman Dunham and two boys from Jayton. Other relatives who visited included Mr. and Mrs. Jack Dunham and family of Clifton, and Mr. and Mrs. Bobby Dunham and family

of Crowell Mrs. Dan Worthington and children of Aspermont, and Mr. and Mrs. Eddie Jones and children.

Mr. and Mrs. Garland Franklin have returned to their home in Antlers, Okla. after being here to attend the funeral of her father Hugh Guber, held in Rule last Friday. The Gubers and Franklins are former residents of this community. Mrs. Guber returned home with Mr. and Mrs. Franklin for a while.

Mr. and Mrs. Bailey Franklin of Antlers, Okla., are here visiting in the home of his sister, Mrs. Margie Mischner.

A LIBRARY OF OVER 2,000 CLASSICS IN FOUR VOLUMES

MASTERPIECES OF WORLD LITERATURE IN DIGEST FORM, edited by Frank N. Magill

First Series Second Series Third Series Fourth Series

This group of digests has been almost twenty years in the making. School and public librarians have been "handing out Magill" many times a day, and the books are equally valuable for the home reference library and for high school and college students. The series is now complete.

Within each volume the titles covered are arranged alphabetically (a table of contents shows at a glance what is included). In the back is an author index, and in the new Fourth Series there is a cumulative index which makes the whole group simple to use. Each entry gives the background of the book covered—when published, the locale, a list of characters, a critique, and a synopsis. For books which cannot be synopsized, essay-reviews are used, in themselves critiques. The concise summaries are prepared by first-class writers, mostly college English teachers, and all entries are carefully rechecked for accuracy.

Each volume contains about 1,200-1,300 pages. Virtually all literature studied in high school and college courses—plus many other titles—is included.

First Series: In this original volume there are plot stories of 510 famous novels, plays, tales, and epic poems. The carefully selected list covers more than twenty centuries of tales that have delighted mankind—from the Golden Age to the Atomic Age, from Beowulf to Bambi.

Second Series: Five hundred additional sequence-by-sequence plot stories from the world's finest literature—novels, drama, and narrative poetry, selected for popular as well as classic appeal. The range here is from Aeschylus through Maria Edgeworth to T. S. Eliot and Alberto Moravia.

Third Series: Plot stories of 277 famous novels and plays and essay-reviews of 223 works of philosophy, poetry, and other classics. In this volume philosophy and other non-narrative works appear for the first time. The range is from Hesiod to Samuel Beckett, with stops in between for Bacon, Carlyle, Cicero, Petrarch, and François Villon, to name only a few.

Fourth Series: Besides the valuable cumulative index for all four books, this volume rounds out the series for balance. Fiction and drama are included among the 500 titles, with stress on modern writers, but there is also emphasis on poetry and nonfiction. Faulkner, Purdy, Camus, Tolkien, and Nabokov are a few of the novelists. There are the essays of Thoreau, Hazlitt, and Virginia Woolf; the journals of Lewis and Clark and of André Gide; the letters of Mme. de Sévigné, Emily Dickinson, Pliny the Younger, and D. H. Lawrence, plus many other favorites old and new.

First Cattle Sale Set Sept. 28 For Annual Rehab Round-Up

The Cattlemen's Round-Up for Crippled Children is off to a good start in 1970 with pledges of registered prize cattle from leading ranches throughout the state. The first sale of the Cattlemen's Round-Up for Crippled Children will be the cattle sale on Monday, September 28th, at the Ranchers and Farmers Livestock Auction in Abilene.

The Center's philosophy in its services to mankind is an open-hearted, tough, no fancy frills type of neighborliness. Helping the handicapped has become a tradition throughout the ranching part of this nation. It is a combination of Southern hospitality and the Western code of independence which has made the West Texas Rehabilitation Center a magnificent humanitarian effort, bringing together the gifts of hundreds of thousands of private individuals. The entire operation, physically and fiscally, has shown practical and time-worthy traits.

Financial difficulty on both occasions has arisen from research grant promises that did not appear the first time and the second time from a change in the interpretation of procedures by Medicare resulting in near disaster for the Center.

Officials at the Center have stated that after the two near brushes with severe drouthy situations, financially that is, they feel that the Center must and will continue to serve the handicapped of the Southwest, but it is a proven fact that more people throughout the entire Southwest must help shoulder the responsibility.

Political Announcements

The Hamlin Herald is authorized to announce the following candidates for office subject to action of the Republican Primaries:

State Representative, District 62 — Place 2 —
MARVIN W. SAPAUGH

PROCLAMATION

WHEREAS, there are over 1,400 servicemen held as prisoners in Southeast Asia by North Vietnam and her allies; and

WHEREAS, North Vietnam, despite appeals from neutral sources such as the International Red Cross has consistently refused to divulge any information about the men on their health and well being, including even naming those they are holding or even permitting such groups to inspect North Vietnamese prison camps to determine if they meet the minimum standards of care and treatment embodied in the Geneva Convention; and

WHEREAS, such callous disregard for long-established international rules for humane treatment of such prisoners is causing unbearable anguish among these American prisoners and their families at home;

THEREFORE, I, H. W. Madden, Mayor of the City of Hamlin, do proclaim September 20-26, 1970, as "V. F. W. Freedom Signature Week" and urge all citizens of this community to demonstrate their obligation to their fellow Americans by signing petitions requesting the immediate release of all Americans held prisoner by the North Vietnam government and by Communist political front groups in Southeast Asia.

Rolling Plains Economic Program Sets Annual Meeting

The annual meeting of the Rolling Plains Economic Program (RPEP) is slated for Monday, September 14, at 2 p.m. in the High School Auditorium at Munday.

Some 150 agricultural and industrial leaders and farmers and ranchers from throughout the Rolling Plains are expected to attend.

Various aspects of the program will be reviewed and

progress during the past year will be discussed, points out Norman Brints, area farm management specialist with the Texas Agricultural Extension Service and RPEP secretary. The Extension Service administers the program which was launched in the fall of 1967 to boost the overall economic growth of the Rolling Plains area. Joe Antille, a rancher from Abilene and RPEP chairman, will preside at the meeting.

Featured speakers at the annual event will be U. S. Congressman Graham Purcell of Wichita Falls and Dr. John E. Hutchison of College Station, Extension Service director. Purcell will discuss "The Outlook for Natural Fibers" while Hutchison will review "3.76 in '76", the new program launched by the Extension Service which is designed to increase the gross agricultural income in the state by \$1 billion by 1976.

This would bring the Texas overall income from agriculture to the \$3.76 billion mark. Other speakers at the session will be Rob Brown, a rancher from Throckmorton who will discuss "Outdoor Recreation in Throckmorton County"; Charles Gref, a Vernon swine producer, who will talk on "Swine Business"; and Lee Glazener, manager of the Vernon Federal Land Bank Association, whose topic will be "The Economic Impact of Guar Production".

These are some of the present areas of agricultural growth in the Rolling Plains, explains Brints, and they promise to contribute much to the area's economy in the next few years. A business session during which news officers and an executive committee will be elected for the coming year will conclude the afternoon program.

H. H. Partridge of Munday is presently serving as vice-chairman of RPEP and members of the executive committee are Brown; J. L. Hill and Charles Bragg, both of Stamford; Johnnie Ammons, of Roby; Mrs. H. A. Haynes of Anson; and Jim Humphreys

of Guthrie.

James G. Simmons, Extension District Agricultural Agent with headquarters at Vernon, is coordinator of RPEP.

The 29 counties in the program are Archer, Baylor, Callahan, Childress, Clay, Coleman, Cottle, Dickens, Fisher, Foard, Hardeman, Haskell, Jones, Kent, King, Knox, Mitchell, Motley, Nolan, Runnels, Scurry, Shackelford, Stephens, Taylor, Throckmorton, Wichita, Wilbarger, Young and Stonewall.

Michael, Andrew McCormack Visit Parents On Leave

Mr. and Mrs. A. T. McCormack have had two of their sons home on leave recently.

Lance Corporal Michael McCormack has been here on a 10-day convalescent leave from the U. S. Marines. He received wounds in both legs July 22 in Vietnam. He was hospitalized for three weeks in Japan before coming home.

LC McCormack returned Sept. 10 to Great Lakes Naval Hospital, Great Lakes, Ill., for further treatment and surgery.

Sp 5 Andrew McCormack had a 30-day leave prior to his return to Vietnam for his second tour of duty. He was there previously in 1968 to 1969. He has also served in Germany and Korea. He will be working with communications in a helicopter division north of DaNang.

His wife Donna and son Michael Jr. live in Hamlin. LC McCormack's wife Susan and daughter Melanie Marie also live in Hamlin.

Another son of the McCormacks is PFC Richard McCormack who is now stationed in Germany.

Sept. 21-26 Set As Farmers Union Membership Week

Governor Smith has proclaimed the week of September 21-26 Texas Farmers Union Membership Week. According to the Farmers Union state office, the proclamation commemorates Farmers Union's growth in Texas and its program in behalf of farmers, ranchers and rural dwellers.

County leaders of the 135 county organizations which compose the Texas Farmers Union will be conducting a membership campaign in each county with a target of enrolling 1500 new members statewide during the concerted week-long campaign.

According to the Governor's proclamation, Texas Farmers Union is the oldest farm organization in Texas, having been founded at Point in Rains County in 1902. It is composed of producers of all farm commodities and is affiliated with the National Farmers Union, headquartered in Denver, Colorado.

RAIN

Rains Sunday and Monday netted 1.63 according to the records at City Pump Station.

Measured at 5 p.m. Sunday was .33. From that time until 5 p.m. Monday 1.30 was recorded.

Texas Parks and Wildlife Department warns hunters that it not only is illegal to discharge firearms from public roads, it also is unlawful to use fire arms in road rights-of-way.

Agent Warns of Grazing Livestock On Treated Land

Fields treated with most defoliants, dessicants, insecticides and some herbicides should not be grazed by livestock, warned Kirby Clayton, Jones County Agricultural Agent.

Agricultural chemicals commonly used as herbicides, insecticides, defoliants and dessicants, are necessary for profitable cotton production in Texas. Some of these chemicals are highly toxic to livestock and animal death can occur when treated fields are grazed.

Besides causing direct death to animals, chemical residues from treated fields may contaminate meat or milk and make them subject to seizure under state and federal regulations, advises the county agent.

It is a producer's responsibility to adhere to specific restriction on grazing fields treated with any pesticide or harvest aid chemicals. Follow all label instructions, and if in doubt about grazing restrictions, check with your county agricultural agent before livestock are permitted to graze treated fields.

SGT. JOHN COCHRAN ... gets airman's medal

Sgt. J. W. Cochran Receives Airman's Medal for Heroism

Staff Sergeant John W. Cochran has received the airman's Medal for heroism.

His wife, the former Zoan Winegeart, and their 20-month old son, John W. Jr., reside with her parents, Mr. and Mrs. A. J. Winegeart at 734 S. W. Second.

The citation accompanying the award noted that Sgt. Cochran distinguished himself by heroism involving voluntary risk of life at DaNang Air Base Mar. 16, 1970, when he rushed to the area where an aircraft crashed upon landing. Despite the hazard of exploding fuel cells he en-

tered the flaming aircraft and persevered in his humanitarian efforts until he succeeded in removing four of the injured victims to a place of safety.

Sgt. Cochran is due to complete his year in Vietnam Nov. 30.

Weekend guests in the home of Mr. and Mrs. Albert

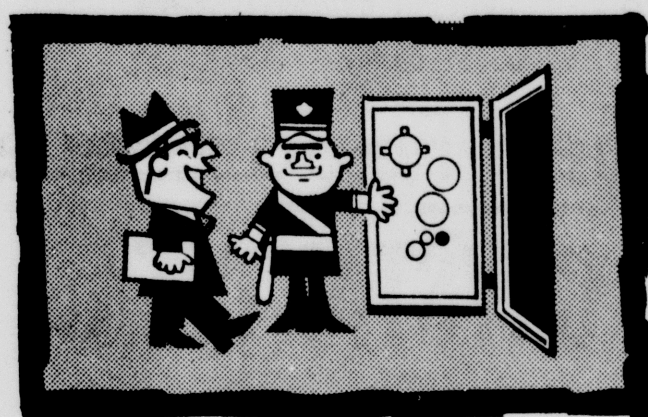

Hought were Jimmie Hought, who has just returned from a 15-month tour of duty with the U. S. Army in Korea and has received his discharge; Jack Hought of Arlington, Mrs. Susan Gregory, Mrs. Thelma Killen and John Edd, all of Sweetwater; Mr. and Mrs. Jack Hamilton and Mr. and Mrs. Fred Young and Gary, all of Hamlin.

Pipers Drop Opener To Blizzards, 21-0

The Hamlin Pipers failed to overcome their first game gitters Friday evening as they fell to the Winters Blizzards, 21-0, in the season opener for both teams. Losing the ball three times on fumbles, the Pipers saw Winters convert two of these into scores. The two teams played on fairly even terms through the first two quarters as the Pipers drove within scoring range twice and gave up one touchdown after losing a fumble on their own 38.

The Pipers fumbled again on the third play of the second half and Winters drove 40 yards in nine plays to score. The Pipers came back from this and moved down to the Winters 21 before giving up the ball on the 35. After this the Pipers never could get moving again and the Blizzards added another seven points in the fourth period to put the game on ice.

Top ground gainer of the night was Piper Charlie Sellers who carried the ball 24 times for 79 yards. He was followed by Mike Mathis of Winters with 68 yards in 13 carries.

Winters, winning the toss, took the wind and kicked off to the Pipers to get the contest underway. Steve Teichelman returned the kickoff 18 yards to his 29. An incomplete pass and two carries by Sellers left the Pipers just an inch away from a first down

and Teichelman sneaked for the first. Drawing a five-yard penalty, the Pipers gained 11 yards on two carries by Sellers and were forced to punt on fourth down. Winters drew a five-yard penalty and the Pipers were given a first down on the Blizzard 49. Sellers gained one and Teichelman connected with Shelton Marshall for 12 yards and a first down. Ricky Rodgers was dropped for a two-yard loss, Sellers gained five, Marshall one, and then Sellers was stopped for no gain.

The Blizzards took over on their own 33 and drove to the Piper 22 before Leonard Johnson recovered a fumble on the Hamlin 25.

The Pipers fumbled on the first play of the second period after gaining 15 yards in three plays. Jackson picked up one yard and then Mathis broke over right tackle and raced 37 yards to score. David Harrison kicked the point after.

with the Pipers blocking the Winters one, the Pipers took over on the Blizzard 48. Teichelman passed to Marshall and then Marshall carried for gains of 12 and 7 to the Winters 15. Sellers gained a first at the 12 but then netted no yards in the three times in the Blizzard line. On the fourth down Teichelman passed to Marshall for 7 yards and the Blizzards took over on their own 5.

They drove to the Piper 21 as the half ended. Marshall returned the second half kickoff 17 yards to the Piper 27, but on third down the Pipers fumbled with Winters recovering on the Hamlin 40. Nine plays later Von Byrd raced around his left end for the final 12 yards and the score. Harrison's kick was good.

Marshall returned the kickoff 35 yards to the Piper 45 with Sellers taking a pass from Teichelman for three yards on first down and then carrying for 3 and 18 yards to the 31 of Winters. Barry McDonald carried into the line three times for 10 yards and a first down at the 21. Teichelman was dropped for a 12-yard loss trying to pass and then McDonald was dropped for a 2-yard loss and Marshall lost another yard on a screen pass from Teichelman. McDonald gained one on fourth down and Winters took over on their own 35.

The two teams exchanged five punts before the Pipers fumbled a fair catch on their own 21. Two clipping penalties moved the Blizzards back and cost them a touchdown. On fourth down the Blizzards tried a 41-yard field goal that was short.

Failing to gain a first the Pipers punted again with Winters taking over on the Hamlin 47. Nine plays later Quarterback Ronnie Wilson went 12 yards on a sneak for the final score. Harrison's kick was good.

The Piper's ran four plays before the clock ran out on them.

day. FFA members conducted a business meeting to discuss dues and appoint committee chairman. The FHA girls began this year's activities with a salad supper for members and their mothers.

The National Honor Society is not to be left out. Its first meeting was Tuesday morning.

The following were chosen as officers and members of the "Green Door" weekly school publication. Tony Lewis, editor; Terri Casey, assistant editor; Sharon Ford, Toni Casey, Karen Jackson, Danny Hix, Cindy Witt, David Mullings and Mitzzi Hunter, all staff members.

Local FFA Names Committees At Meeting Monday

The Hamlin FFA Chapter met Monday night for a regular chapter meeting in the vocational agriculture classrooms.

Chairmen were named for

the annual program of activities. Serving as chairmen of the various committees are: Organization Edward Johnson; Membership, Oscar Guerra; Supervised Agricultural Occupations Experience, Mark Madden; Cooperation, Dwayne Miller; Community Service, Kenneth Payne; Leadership, Larry Jayroe; Earnings and Savings, Carlos Gonzalez; Conduct of Meetings, Steve Teichelman; Scholarship, Rickey Gruben; Recreation, Ricky Rodgers; Public Relations, Rodney Rackley; and Participation in State and National Activities, Bruce Fowler.

For fund raising activities this year the chapter decided to have a citrus fruit sale and a "Trick or Treat" candy sale.

Steve Teichelman, Rodney Rackley, and Charles Sellers are to plan the chapter's float in the annual homecoming parade.

Dwayne Miller, Carlos Gonzales, Bryce Fowler, Larry Jayroe and Gary Wells were appointed as an educational

trip committee. They are to plan the annual educational trip for all members other than first-year members. Johnny Howard, Kenneth Payne, and Carlos Gonzalez were elected to serve as voting delegates to the October 13 meeting of the Double Mountain FFA District in Rule.

First Year VA Students Attend W-T Fair Tuesday

Those attending were David Cochran, Gary Collins, Bill Cork, Johnny Cork, Ricky Crowley, Scott Feagan, Mike Griffin, Butch Herperche, Danny Hix, Willie Hooper, John Hudson, Jim Johnson, Tommy Johnson, Buddy Kil-

lion, L. J. Lee, Wayne Marshall, Larry Mayes, Albert McAfee, Ray McGee, Steve McKissack, Raul Morales, Tommy Rangel, Ray Scifres, Gary Sheffield, Tommy Thamez, George Titus, Ike Vanzandt, Tommy Waller, Douglas White David Willis and Lanny Wood.

They were accompanied by Milburn Wink, Vocational Agriculture Teacher.

Freshmen Down Crosbyton, 28-16

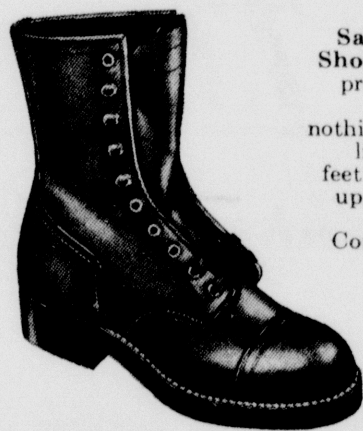

The Freshmen traveled to Crosbyton last Thursday for the first contest of the season and defeated their hosts 28-16.

Two touchdowns were made by David Willis and Raul Morales and Bill Cork each made one touchdown.

After the scores, two attempted kicks were not good. Kenneth King passed for two points and ran over for two.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(September 18, 1925)

The Herald man made a visit to the Hamlin Cotton Oil Mill, Wednesday for the purpose of seeing how the new Manager, Mr. Moody and his force of hands were progressing towards being ready for the new season. This mill is one of the important businesses in Hamlin, and all are interested to learn something of this season. Mr. Moody took us on a special inspection of the whole mill. We were pleased to note that many important remodelings had been made and that the mill looks better than ever before. Many tons of seed have already been dumped into the enormous seed house and the foreman, Mr. Chandler announces that he will be ready by Monday to start up the mill.

The "Pied Pipers" began their athletic year when Coach Hinton issued a call for all football men to report for practice on August 31st.

The boys have been working out daily and are now in a fair condition for the first game of the season, which will be played with Knox City, here, on Friday, Sept. 18th.

This year more men have reported for work than ever before and from the prospects, Hamlin High should have one of her greatest years.

Team members are Pete Via, Frank Harris, Merideth Owens, Charlie Wagon, Charlie Bryan, James Erwin, Milton Wilson, Maurice Augland, Clarence Johnson, Brad Rowland, Bob Willingham, Claude Chastain, Albert Johnson, Neal Chastain, Clinton Packwood, John Elliott, Henry Albritton, Charlie Ray Via, William Norris, Horace McGee, Glen Erwin, Kenneth Craddock, Robert and Mackey Hill, J. B. Adkins and John Agnew.

TWENTY YEARS AGO
(September 15, 1950)

Hamlin's Rotary Club heard brief talks from the High School coaches, Jess Burditt and Vernon Townsend at the noon luncheon of the club Wednesday.

Both discussed weaknesses in the local ball club and what they were doing to better the boys in their forthcoming contests.

Dr. Doyle Blackford was installed as a new member and Gus Diskenson, business teacher at the High School, was a guest of T. C. Blankinship.

Close of business Saturday night found the Safeway stores swinging over immediately into the work of remodeling their store completely.

Shelving was stripped from the walls and an industrious cleaning ensued that prepared the interior for painting. A new coat of white paint on the ceiling of the large

building has brightened the interior.

New fixtures have begun to arrive and indications are that the display of merchandise will be modernized in every department.

Featuring the strong backfield trio of Billy Davis, Ammons and Amonett, Haskell's Indians come to Hamlin to engage the Pied Pipers tonight in the first home appearance of the local eleven.

Haskell is fresh from a sound 20-0 whipping they handed Spur last Friday night at Haskell and the Pied Pipers are faced with a large task in handling the rampaging Indians.

Spirit of the squad is undaunted by the Stamford defeat and they will take the field tonight against Haskell with a renewed determination to hit the victory trail.

Coaches Jesse Burditt and Vernon Townsend, although lamenting the fact that the injury jinx appears to have overtaken them, are optimistic about the prospects of their charges and assure the fans that first class football is going to be put on display by the Hamlin eleven.

TEN YEARS AGO
(September 15, 1960)

Ray Glenn Sonnenburg of Big Lake has been employed by Frank's Department Store as a manager. He and Nordie Bayouth will be co-managers, according to F. E. Bayouth, owner.

Mr. and Mrs. Sonnenburg and their two children, Ray Glenn Jr., 3, Fodie Kae, 7, are living at 432 Northwest Avenue F.

Mrs. Sonnenburg is the former Jacqueline Bayouth, daughter of Mr. and Mrs. F. E. Bayouth.

In Big Lake, where Sonnenburg was manager of Wm. Cameron Co. he was a member of the Lion's Club and Mrs. Sonnenburg was active in PTA. They are members of the Methodist Church.

The Pied Pipers scored 28 points in the first quarter Saturday night to take a commanding lead over the Red Raiders of Edgewood of San Antonio and were able to go from there to dump the 4-A school, 52-16.

The Raiders, sporting a strong offense forced the Pipers to rely on fumbles, pass interceptions and blocked punts to stop their offensive drives.

Playing before a good Saturday night crowd, the Pipers took advantage of every Raider mis-que and scored swiftly when they came into possession of the ball.

The game grossed over one thousand dollars with over 1,200 paid admissions.

Outstanding defensive boys for Hamlin were: Gary Cooper, left tackle; Stanley Austin, linebacker; Gary Williams, linebacker; Robert Woodruff, middle guard; Bill Richey, right end; and David Bonds, left end.

Neinda Philosopher Points Out An Unconsidered Danger of Continuing Spiraling Inflation

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One discovers an off-shoot of inflation this week. We hadn't thought about it.

Dear editor:

I knew everything was going up, for example it used to be that one terrorist was worth say one hostage but now one is claimed to be worth around a hundred according to Arab mathematics, but it took a report by a bunch of economists to really underscore the notion.

According to an article I read last night in a Sunday newspaper which would have cost me a quarter if I'd gotten it off a newsstand in town instead of a fence out here, these economists have figured that if the present rate of annual rise in the cost of living index continues for the next 30 years, by the year 2,000 a \$3,500 car will cost \$17,000, a \$400 color TV will cost \$2,800, a \$20 bag of today's groceries will cost \$114, and a \$25,000 home will cost \$147,000.

Now you understand that farmers have never been brought under the cost of living index, that is not completely, only half way — they

pay more for what they buy all right just like everybody else but they don't get more for what they sell (cattle prices on the hoof are a little less now than they were 15 years ago), so I have done a little figuring and find that while today for example it takes 11,666 dozen eggs to buy a \$3,500 car, 30 years from now it will take 56,666 dozen, which will certainly be a strain on chicken farmers and I won't even mention the fright of their chickens. Or take wheat farmers. If it'll take 5 times as many bushels of wheat to buy a car 30 years from now as it does today, what in the world are they going to do with all that wheat? I don't have the time or the head for it, but you figure up how many bales of cotton it'll take to buy a \$147,000 house. It staggers the imagination and strains an adding machine.

I don't know anything about how to control inflation and if anybody else does he hasn't shown up, but at least somebody had better start raising the price us farmers get if they don't want the country swamped up to its neck in cotton, grain, fruits, vegetables, eggs and chickens.

Fifty-six thousand dozen eggs for one car is a lot of eggs.
Yours faithfully,
J. A.

Highway Area Work Approved

The Texas Highway Commission has approved the expenditure of \$1,949,900 for highway safety and betterment and improvement of state highways and farm to market roads in District 8 during 1971. A part of this includes work in the Hamlin area.

State Highway 92 from the east city limits of Hamlin to the Fisher County line will receive additional surface as a part of this program at a cost of \$12,300.

Also included in the program is seal coating FM 1636 which connects with U. S. 83 south of Hamlin and runs to Avoca. This project will cost \$37,900.

"I DON'T SEE ANYTHING"

THERE IS ONLY ONE WAY TO SEE THROUGH A CAMERA

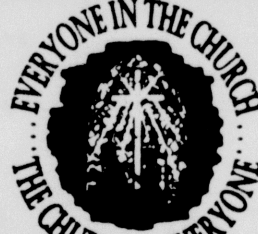

Did you ever try to look through a camera from the front side? Yes, most of us have . . . out of curiosity . . . but we would not even consider trying to take a picture in such a manner. There are many though, who go through life never giving themselves a chance to really see God. In order to see God, one must look at him through faith. Attend church regularly, seek God where others can help direct you in your search for God.

"So then faith cometh by hearing, and hearing by the word of God."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

NEWS FROM ...

Sylvester

By MRS. R. M. BARR

Monday morning and it has been raining since Sunday afternoon and at this writing we have had two (2) inches of rain and it is still raining.

Mr. and Mrs. Ross Douglass drove to Big Spring Saturday afternoon and visited in the home of their son, Don and family.

Our sympathy to the Chunky Brown family due to the death of Beth Hawkins, she was the daughter of Chunky's sister. We would like to express our sympathy to the Hawkins family as W. A. was born and raised here.

Mr. and Mrs. Mike Dobbs of Ft. Worth are spending their vacation in the Woodrow Lawlis home and believe me the Lawlises are enjoying those two grandchildren.

Mr. and Mrs. Jack Gann and Mrs. Gladys Williams drove to Bowie this weekend to visit Jack and Gladys' sister who is quite ill.

Mr. and Mrs. Loys Smith and Velma Reed drove to Breckenridge one day last week to visit the Smith brother living there and very unexpectedly the other two Smith brothers came for a visit also.

Fred Turner is doing real well since he was moved to Abilene to West Texas Medical Center for treatment and hopes to be coming home real soon.

Mr. and Mrs. Woodrow Lawlis visited in Hendrick hospital one day last week

with Aunt Maude Byrum, and she is very ill, then they visited in West Texas Medical with Fred Turner and Neda Kiser. Neda has since been moved to Callahan hospital in Rotan.

Charles Scott spent several days in Hamlin hospital last week but is home now.

Mrs. Tina Scott of Tuscola visited with the Scotts last week and attended the singing at the Methodist Church Tuesday night. There were some twenty five people there and some good singing.

Just looked at my rain gauge and we have had almost three inches of rain and it still is raining.

Have you looked over the hill at the Fred Turner house? It is really looking pretty with the white brick and dark brown roof.

Have you seen the Huger orange pickup the Lannings are driving?

I don't remember whether I mentioned it or not but the Faye Doziers are driving a pretty green pickup.

Gary Kiser was home this week from McMurry and seems to like college real well. He is impressed with his chemistry teacher, seems he wrote the book he is teaching the students.

Mrs. Carra Perkins and May Hurst visited in Merkel with Mrs. Floy McCright this past week.

Ralstine Williams of Dallas spent the weekend with her mother Jeffie Mae Williams.

From the

Eagles Beak--

by Shirley Ann Gann

The McCaulley junior high football team started the 1970 football season with a "BOOM" Thursday when they beat the Blackwell Hornets 30-0 at the Hornets field.

The boys scoring points were as follows: Max Kemp 1 TD, Alex Perales 2 TD, Ronnie Kiser 1 TD, and Danny Lujan 1 TD.

The junior high team will play at McCaulley tonight (Sept. 17) where they will host the Ira Bulldogs at 7:00 p.m.

The cheerleaders and twirlers for junior high this year are Arvinelle Smith; Beverly Griffen (Head), Tiny Ann Smart, and Aletta Hawthorne; all from the eighth grade. Twirlers are Mary Perales, 8th, and Dianne Colmon, seventh grade.

The McCaulley high team weren't quite so lucky in their game. They got beat by the Paint Creek Pirates 33-25. The Eagles traveled to Paint Creek Friday Sept. 11 and the game started at 8:00 p.m. The boys scoring points were Eddie Gibson 3TD, and Larry Marshall 1 TD. Eddie Gibson was hurt in the late part of the fourth quarter. Eddie got his neck hurt, but he is strong and we hope he will be back on the field soon. We're really proud of the boys and we think they will do better in the future.

The Eagles will host the Weinert Bulldogs Friday Sept. 18 at 8:00 p.m. So "GOOD LUCK" boys.

The Juniors and Seniors will have the concession stand

Billy J. Jordan Assigned to ARVN Advanced School

Word has been received from U. S. Army SFC Billy J. Jordan that he has been assigned to the ARVN advanced school at DaNang, Vietnam. He serves with an advisory group for the South Vietnamese Army. He left here Sept. 1.

His wife, Wilma, is employed at Billie's Beauty Bar. They have two children, Billy, 12, and Lisa, 9.

This is SFC Jordan's second tour in Vietnam. He was there in 1967-68. He has been in the service 13 years.

BAYLOR HOWDY QUEEN—Jana Ferguson, 18-year-old freshman elementary education major from Hamlin, recently was crowned Howdy Queen at Baylor University. A May graduate of Hamlin High School, the Baylor coed is the daughter of Mr. and Mrs. S. C. Ferguson of Route 1. Miss Ferguson was chosen from six coeds nominated by members of the Freshman Class for the honor. The crowning of the queen ended a week of activities sponsored annually by Alpha Omega, a women's social club at Baylor, to acquaint freshmen and new students with the Waco campus.

Four Charged With DWI Here

Charges were filed in Jones County Court Monday against four persons for driving while intoxicated (DWI) resulting from arrests made by Hamlin Police Department patrolmen. James Ewell McLaughlin, Rt. 2, Hamlin was arrested at 11 p.m. Friday by Patrolmen Homer Dill and Jimmy Ratliff. Ramira Garza Perez, Box 32, Hamlin, was arrested at 2:50 a.m. Saturday by Patrolmen Dill and Ratliff.

At 1:50 a.m. Sunday Elmer Terry Cooper, Route 2, Hamlin, was arrested by Patrolmen Ratliff and Dill.

Emmitt McPherson, General Delivery, was arrested at 4:30 p.m. Sunday by Patrolman Ratliff.

All have been released from jail each on \$750 bond.

Program Announced for Biennial Experimental Ranch Field Day

THROCKMORTON — Several livestock producers from Jones and Stonewall Counties will be here September 24 for the biennial field day of the Texas Experimental Ranch.

The ranch is a unit in the Texas A&M University College of Agriculture, and is 10 miles north of here, just off U. S. 183.

The several hundred guests expected from throughout Texas will see and hear discussed the latest results of long-range research in several areas, among them:

1. Cattle production on the basis of three levels of protein supplement during the winter.
2. Calving performance of drylot cows during an 11-year period.
3. Brush control and the response of vegetation to various intensities of grazing.

Tours of the many research pastures will begin at 9:30 a.m. and continue until 11:30. Lunch will be here in the Throckmorton Agricultural Building, dutch-treat.

The following speakers are scheduled during a brief discussion period after lunch. Jim Humphreys of Dickens, manager of Pitchfork Land & Cattle Company, "Livestock Operations at the Pitchfork Ranch."

Paul T. Marion, superintendent of the Texas A&M University Agricultural Research Station at Spur, "Calving Performance of Drylot Cows During an 11-Year Period."

Dr. C. L. Leinweber, head of the A&M Department of Range Science, "Intensive Grazing Systems."

Antique Show, Sale Set In Abilene

The Big Country Antique Show and Sale is to be held in Abilene September 25, 26 and 27, 1970. This will be the first event in the new multi-million dollar Civic Center in downtown Abilene.

The show features 26 top notch exhibitors, including eleven from out of state, and is being sponsored by the Altrusa Club of Abilene. The proceeds from the show will be used for scholarships, assistance to student nurses, and donations to several worthwhile organizations and civic projects.

Home cooked food will be served during show hours by the Altrusans. Admission is \$1.00

Sweetwater State Technical School Dedication Set

SWEETWATER — Dedication ceremonies for the new Sweetwater facility of the Texas State Technical Institute will be held September 24.

Governor Preston Smith will be the dedicatory speaker for the ceremonies which will be held in the Nolan County Coliseum Annex beginning with a Governor's Reception at 6 p.m. followed by a barbeque and dedication at 7 p.m.

The activities are sponsored by the Sweetwater Chamber of Commerce.

The facility in Sweetwater is an extension of the James Connally Campus in Waco which was the state's first technical institute.

Dr. Jack Tompkins, vice president of TSTI and general manager of the James Connally Campus in Waco said, "We are grateful to the people of Sweetwater for their enthusiasm and interest in technical education. We are looking forward to serving the people of that area with technical education courses needed in the development of today's technicians for industry."

Manager of the Sweetwater facility, D. A. "Bill" Pevehouse, said enrollment at the school has already reached 125 for the opening trimester of the school.

AUSTIN — Just when highway construction in the state is at an all-time high, the Texas Highway Commission has cancelled the regular December lettings of highway contracts.

Commission blames the contract moratorium on the recent holdback of part of Texas' apportionment from the Federal Highway Trust Fund. Action came at a time when highway construction was at its highest. For the past two months, pay-out for construction completed by Texas Contractors has set new records because of favorable weather, in dollar volume.

Contractors were paid \$42.6 million in July for work completed in June and \$46.3 million in August for work completed in July. Payments represented work on 501 contracts in June and 593 contracts in July.

Federal Aid Highway Act of 1968, as approved by Congress, provides that states should receive \$5.4 million for the 1971 fiscal year from the Highway Trust Fund. Amount allocated, however, was reduced by the Administration, Highway Commission Chairman Dewitt Greer said, to \$4.6 billion nationally and resulted in a reduction of the Texas share from \$275 million to \$210 million — \$65 million less than was expected.

Proceeds in the Federal Highway Trust Fund are derived from special taxes levied on motor vehicle users. Fund

was set up in 1956 to provide a stable source of revenue for the construction of National System of Interstate and Defense Highways.

Cancellation for the December bid letting is the first since World War II, Greer said. The Commission Chairman said the reduction has come because the condition of the finances of the Federal Government has required that it borrow money from the Federal Highway Trust Fund for government operation even though the trust fund was established for the specific purpose of building the highway system from highway user revenues.

Greer said the "motor vehicle users of this country, who pay these dedicated taxes, have every right to expect that the Federal Government return to the highway system these revenues, in accordance with agreements made 14 years ago."

HOSPITAL TROUBLES IN TEXAS — State Rep. R. H. "Dick" Cory and House Speaker Gus Mutscher made a trip to Washington seeking better interpretation of recent Social Security regulations which threaten to close 158 of the state's hospitals.

Most are in rural areas and are having extreme difficulty complying with new regulations such as the one requiring them to have registered nurses on duty around the clock. A Texas nursing shortage of 10,000, plus the difficulty

of finding nurses willing to live in smaller communities, contribute to the problem.

Hospitals which do not comply with the regulations are in danger of having Medicare payments terminated, which would in turn force them to close their doors. Representative Cory, who is chairman of a special Speakers' Committee on Texas Health Care, noted that Texas, because of sparse population in wide areas of the state, has 40 per cent of the nation's Class 7C hospitals.

DICKIE W. SCOTT COMPLETES NAVAL BASIC TRAINING

SAN DIEGO — Navy Seaman Apprentice Dickie W. Scott, son of Mr. and Mrs. Woodie B. Scott of 421 S. W. Fifth St., Hamlin, Tex., was graduated from basic training at the Naval Training Center, San Diego.

He attended Hamlin High School.

Mrs. I. J. Starr and daughter, Iva Jaye, spent the weekend in Tyler with her sisters, Mrs. Willie B. Parkinson and Mrs. Lavator Ferguson. They were joined by their brother and sister-in-law, Mr. and Mrs. Jimmy Moss of Los Angeles, Calif., and his daughter and her family, Mr. and Mrs. Ronald Workman and daughter, Tonya.

Mr. and Mrs. W. I. Goolsby and daughter, Mrs. Jimmy Wainscott and son, Jimmy, Jr., went to Sumter, S. C. to visit the Goolsbys' son and his wife, Lt. and Mrs. Jesse Goolsby. While there they visited the Great Smoky Mountains National Park in North Carolina and Tennessee.
